Upcoming Trainings

July 17, 2006 - NatureMapping Training, 6:00 pm - 7:30 pm at Beaver Creek Citizen Science Center, S 1 County K, Fall Creek 54742. The program is free but call 715-877-2212 by July 12 to register.

July 22, 2006 - NatureMapping Training, 9:00 am - 11:00 am at Gordon Bubolz Nature Preserve, 4815 N.Lynndale Drive, Appleton 54913. It is free and call 920-731-6041 by July 10 to register. Join us for an outdoor session focusing on birds and watchable wildlife. We will spend time in the field observing and recording our findings. Indoors we will learn how to enter our sightings into the NatureMapping database.

July 26 - NatureMapping Training, 1:00 - 3:00 pm at UW-Stevens Point College of Natural Resources Room 122. There is no cost, registration is required by calling 715-877-2212.

We need your help.....Please respond

Wisconsin NatureMapping is working with other states on developing a national program. In order to better understand age distribution of participants, please take a moment to send an email to csc@beavercreekreserve.org. In this email, simply identify which of the following age groups you (and any others under the same username) fall into:

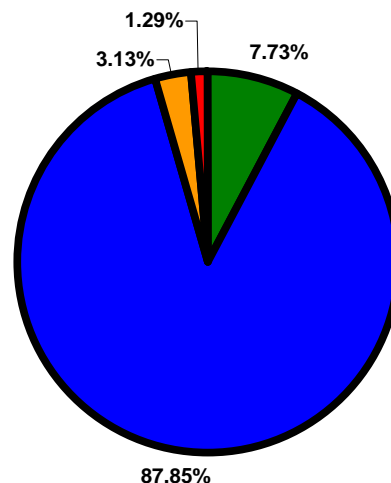

- Elementary school -40-50
- Middle school -50-60
- High school -60-70
- 18-30 -70-80
- 30-40 -80+

Thank you for your time!! Your email is greatly appreciated!!
